DESIGN PLACEMENT GLOBAL PACKAGING 21/22

Unilever is a global company with over 400 brands including Dove, Ben & Jerrys, Lynx, TRESemme, Simple, Hellman's, Pot Noodle, Love Beauty and Planet, Walls, Lipton, Sure, VO5 and more. Every day **2.5 billion people** use Unilever products and in 2017 the company had a turnover of **€53.7 billion**. Unilever are dedicated to sustainability, and by 2030 we aim to reduce our environmental impact by half as part of our **Sustainable Living Plan**.

This placement will be within the **Global Hair Packaging Design Team**, you will have the opportunity to work on well-known brands such as Dove, TRESemme, TIGI, Love Beauty and Planet and Sunsilk.

We're looking for creative problem solvers with a passion for brands, an understanding of different consumers, and an interest in design thinking and sustainability. You will be confident in communicating your ideas using Adobe Creative Cloud. We will also provide training to the successful candidate. Daily responsibilities include sketching innovative solutions as part of a dynamic team, consumer focused experience mapping, and high quality rendering.

More information on how
to apply on the next page.

THE ROLE: JUNIOR DESIGNER

KEY RESPONSIBILITIES:

Focusing on the front end tasks of the design process

Opportunities to lead a project from briefing through to prototyping

Application to Adobe Creative Cloud, CAD, rendering, and rapid prototyping to support projects and visualise ideas

Bringing ideas to life through digital sketching, renders and illustrations

Aiding project research through market codes & audits and highlighting current design trends

Assist in understanding consumer habits, product strategy and journeys for different products or brands.

REQUIREMENTS:

Studying a design related course (Product/Industrial Design, Furniture, Graphics, Art & Design etc.)

Strong visualisation and communication skills

Proficient in Adobe Creative Cloud, CAD and rendering software

Aware of Graphic Design (layout, typography, presentation etc.)

Sketching ability to effectively communicate ideas

An aptitude for design strategy and theory

Strong research skills (consumers, brands, trends, technology, etc.)

Positive hands-on approach (inc. prototyping)

WHAT YOU NEED TO DO:

1-2 MINUTE VIDEO

We would like you to upload a 1-2 minute video of you analysing any **hair or skincare product** in relation to the role that you are applying for and its requirements including 3D form, graphic design, sustainability, consumer experience, and manufacturing.

A video upload website such as Vimeo or Youtube should be used for this due to file size (please do not attach the file to your email). Note: This does NOT need to be a professional video, just filmed on your phone is fine.

Please send us the link and the password required for viewing access in an email. For security purposes, this must be a separate email to your CV and Portfolio.

CV AND PORTFOLIO

In a separate email send us your CV and Portfolio.

APPLICATIONS MUST BE SUBMITTED BY 21/02/21. SUCCESSFUL APPLICANTS WILL BE INVITED TO A VIRTUAL ASSESSMENT DAY* HELD ON 11/03/21.

Good luck! We look forward to hearing from you soon.

*Your data will be kept for 2 weeks after the assessment day.

The position is intended to be held in person, but we will continue to follow Government advice, so it may be that some or all of the placement will be virtual.
